

Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning equipment. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have more than 60 years of experience effectively developing, marketing, manufacturing, designing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are committed to offering top quality and new design concepts in order to meet the diverse needs of their customers.

TREK Cleaning Machines always offers fresh design concepts as shown in their product development. They enjoy offering items that energize both their partners and their dealers and offer production gains to their clients.

The TREK team of staff enjoys new tasks and new challenges. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' skills and requirements together with their comprehension of cleaning applications, together with owners' strong desire to significantly lessen cost through productivity gains.

The personnel at TREK and their dealer-partners are really devoted to having both parts and technical support accessible when it is needed. Their high service dedication is amongst the core values in their customer service. Keeping their clients' cleaning machines functioning and ready daily is top priority. The company's top of the line technology delivers reliable machine that ultimately lessens your cost of cleaning. The price, the service and the product all work together to make them an industry leader.
